Above Shannon McDougald, 11, helps her two-year-old sister, Sarah, to unpack some stuffed toys as they move into their new Habitat for Humanity home on Glengarry Road last Friday. The girls, along with two other sisters and their parents, received a special Christmas present since their new home was finished before the holidays. To the left Larry McDougald carries a box into the living room of his new home. McDougald and his family had been living in a two-bedroom apartment. The house is the fourth residence built by the Thousand Islands Habitat for Humanity.
